Dear Acting Commissioner:

In accordance with the authority vested in you by the Revised Statutes of New Jersey, an examination has been made of the assets, liabilities, and excess insurance/reinsurance of the:

The Central New Jersey Regional Employee Benefits Fund
C/O PERMA Risk Management Services
250 Pehle Avenue, Suite 701
Saddle Brook, New Jersey 07663

hereinafter referred to in this report as the "Fund."

SCOPE OF EXAMINATION

This financial condition examination was called by the Commissioner of Banking and Insurance of the State of New Jersey pursuant to the authority granted under the provisions of N.J.S.A. 40A:10-36 of the New Jersey Revised Statutes.

The examination was made as at December 31, 2009. The examination was limited to the assets and liabilities reported by the Fund and included a review of the excess insurance program in place at December 31, 2009. The examination was conducted at the office of the Fund's Executive Director, PERMA Risk Management Services, 250 Pehle Avenue Suite 701, Saddle Brook, New Jersey 07663.

The conduct of the examination was governed by the procedures outlined in the N.A.I.C. Financial Condition Handbook and followed accepted procedures of regulatory authorities and generally accepted insurance company examination standards. In determining the emphasis to be placed on specific accounts, consideration was given to the Fund's system of internal control, the nature and size of each account, its relative importance to solvency and the results of the previous financial condition examination.

In the verification of matters as shown in this report, limited test checks were made, some complete and others partial. Consideration was allowed for limiting the verification on certain accounts at a point where they were determined to be substantially correct or the account under review was considered insignificant and not crucial to the Fund's solvency.

Termination may occur only after proper notice has been given, in accordance with the Fund's bylaws. A participating member may withdraw before the end of its membership by giving proper notices and following required procedures at least sixty (60) days before the date of withdrawal. The Executive Director/Administrator is responsible for the overall administration of the Fund. Fees paid to the Executive Director/Administrator encompass all administrative duties, which are performed at the Executive Director/Administrator's office. Accordingly, the Fund does not maintain any fixed assets or incur any employee payroll expense. LOSS RESERVES/IBNR

The Loss Reserves/IBNR as reported by the Fund at December 31, 2009 was \$3,100,000. The reserves as reported were verified by the performance of a six month run off of the payments made in 2010. This review indicated that the reserves reported by the Fund were understated by approximately \$400,000 after applying excess insurance. The Fund Administrator is aware of this understatement and is researching the cause for consideration in setting IBNR reserves for the Fund in future statements. It is noted that the Fund retains surplus which equates to approximately three months of paid claims as a contingency any reserve shortfalls.

Paid losses were reconciled to Fund reports and no material exceptions were noted. Samples of payments were scheduled and traced to supporting documentation without exception. Completeness testing was performed for selected TPA's without exception.

ACKNOWLEDGEMENT

The examination was completed at the office of the Fund's Executive Director, PERMA Risk Management Services, 250 Pehle Avenue Suite 701, Saddle Brook, New Jersey 07663. The courteous cooperation extended to the examiners by Fund Management is acknowledged.
